

Welcome Back!

We ask that while you play, you remember these important safety measures

This area has been safety inspected but cannot be constantly supervised, so we need your help to keep it safe for everyone

Please keep your distance from others. If the park is busy, please come back another time

Only one adult per family unit

Please use hand sanitiser regularly and wash your hand thoroughly when you get home

No food and drink should be consumed within the park

If you or a family member has symptoms of COVID-19 do not enter the play area, return home and seek medical assistance
